SPECIAL POINTS OF INTEREST

Going abroad?

Most vaccines take a while to work so fill in a travel questionnaire as soon as possible to ensure you are covered against the local diseases.

Accepting new patients

We are accepting new patients so if you know someone who needs a GP then ask at reception for the forms. Signing up is easy and can also be done online.

If you have any comments or queries then please feel free to jot them down and place them in our comments box.

Practice Update

WWW.GPBOLTON.CO.UK

SUMMER 2014

WWW.GPBOLTON.CO.UK

We have revamped our website to make it more useful and user friendly. We have a new web address too so please make sure to delete the old one.

You can use the new website to:-

- Book a routine appointment
- Order your repeat prescriptions
- Update your address or telephone numbers
- Get the most up-to-date information on the practice
- Complete a travel questionnaire
- Subscribe to this newsletter
- Register as a patient at this practice (so let friends or family know)

Telephone Consultations

For a while the practice has been piloting with telephone consultations. This is just like a normal appointment and is booked in the same way but instead of you coming to see us, we ring you. Many things can be dealt with this way. If you think that your problem can be dealt with over the telephone then feel free to ask for one. If you think your problem may need an examination then of course we can't do this over the telephone so please book a normal appointment. We don't want to force the telephone on you, it's just an extra option, and may be convenient for those that find attending difficult due to work or family commitments.

Welcome Dr Colbeck (FEMALE) and Dr Adejumo (MALE)

The practice is now heavily involved in training the GPs and consultants of the future and we are pleased to welcome Dr Colbeck and Dr Adejumo to the team. They will both be with us for at least six months.

See the website for details or ask reception for a paper copy.
