SPRING 2012

SPECIAL POINTS OF INTEREST

Going abroad?

Most vaccines take a while to work so fill in a travel questionnaire as soon as possible to ensure you are covered against the local diseases.

Did you Know?

Did you know we are open at lunchtime and our reception team are free to take queries and book appointments at this time.

Accepting new patients

We are accepting new patients so if you know someone who needs a GP then ask at reception for the forms. Signing up is easy.

If you have any comments or queries then please feel free to jot them down and place them in our comments box.

Apologies...Please bear with us!

Unfortunately Dr Haslam has had to take some extended sickness away from the surgery. We wish her a speedy recovery and look forward to having her back as soon as possible. We apologise to anyone who considers Dr Haslam their usual GP and has experienced disruption because of this. We are in the process of arranging extra help and we are pleased to announce that Dr Jayakumar will be filling some of her sessions. Some of you may recall Dr Jayakumar as she filled in for Dr Haslam when she was last on maternity leave.

We apologise if anyone has found it difficult to get a suitable appointment due to this disruption. It would really help us, if when making an appointment, you consider our appointment types and choose the one most suitable for you.

BEAR WITH US!

How do we perform?

This practice's highest performing areas compared with PCT average

Please note: If your practice has performed uniformly lower than the PCT average, then this page will show the three scores that are least different to the PCT average.
